FACTORIES AND MACHINERY (EXEMPTION) (No. 2) ORDER 2003

IN exercise of the powers conferred by subsection 55(3) of the Factories and Machinery Act 1967 [*Act 139*], the Minister makes the following order:

Citation and commencement

1. (1) This order may be cited as the **Factories and Machinery (Exemption) (No. 2) Order 2003**.

(2) This Order comes into operation on 3 July 2003.

Exemption

2. Subject to paragraph 3, all unfired pressure vessels registered with the Chief Inspector with the registration numbers and descriptions as specified in columns (1) and (2) of the Schedule are exempted from the preparation for regular inspection as required by paragraph 17(b) of the Factories and Machinery (Notification, Certificate of Fitness and Inspection) Regulations 1970 [P.U. (A) 43/1970].

Condition of exemption

3. The exemption under paragraph 2 is subject to the condition that all of the unfired pressure vessels as specified in the Schedule undergo external inspection and non-destructive tests; and that the results of the inspection and tests are satisfactory.

Particulars of exemption

4. The exemption under paragraph 2 is in respect of the subsequent regular inspection of the unfired pressure vessels after the expiration of the validity period of their certificates of fitness as specified in column (3) of the Schedule.
