ROAD TRANSPORT ACT 1987

ROAD TRANSPORT (FEE AND CHARGE FOR ERECTING STRUCTURES FOR
ADVERTISEMENT ON FEDERAL ROAD) RULES 2025

IN exercise of the powers conferred by subsection 85A(3) of the Road Transport Act 1987 [Act 333], the Minister makes the following rules:

Citation and commencement

1. (1) These rules may be cited as the **Road Transport (Fee and Charge for Erecting Structures for Advertisement on Federal Road) Rules 2025**.

(2) These Rules come into operation on 1 September 2025.

Interpretation

2. In these Rules, unless the context otherwise requires, “Federal highway or Federal bridge” means the highway or bridge declared as Federal roads as specified in the First Schedule.

Fee and charge for erecting structures for advertisement on Federal roads, other than Federal highway or Federal bridge

3. Any person erecting structures for an advertisement on a Federal road, other than on a Federal highway or Federal bridge, shall pay—

(a) the processing fee as specified in Part 1 of the Second Schedule; and

(b) the annual occupancy charges in accordance with the type of structures and zones as specified in Part 1 of the Third Schedule.

Fee and charge for erecting structures for advertisement on Federal highway or Federal bridge

4. Any person erecting structures for an advertisement on a Federal highway or Federal bridge shall pay—

- (a) the processing fee as specified in Part 2 of the Second Schedule;
- (b) the annual occupancy charges in accordance with the type of structures and zones as specified in Part 2 of the Third Schedule; and
- (c) a security deposit for an amount equivalent to two years of the occupancy charges referred to in paragraph (b).

Method of payment

5. The fees and charges specified in these Rules shall be paid to the Minister in a manner that may be determined by the Minister.

Revocation and savings

6. (1) The Road Transport (Fee and Charge for Erecting Structures for Billboard on Federal Road) Rules 2010 [*P.U. (A) 405/2010*] (hereinafter referred to as “the revoked Rules”) is revoked.

(2) Any structure for an advertisement on any Federal highway or Federal bridge approved to be erected under the revoked Rules before the date of coming into operation of these Rules shall, on the date of the coming into operation of these Rules, be deemed to have been erected under these Rules and shall continue to be erected until revoked or expired.

(3) Any application for erecting structures for an advertisement on any Federal highway or Federal bridge made prior to the date of coming into operation of these Rules and pending under the revoked Rules shall, on the date of the coming into operation of these Rules, be deemed to have been made under these Rules and shall continue to be dealt with in accordance with these Rules.
