Article 21

Submission of TPS-OIC Certificate of Origin

Certificates of origin shall be submitted to the customs authorities of the importing country in accordance with the procedures applicable in that country. The said authorities may require a translation of a TPS-OIC Certificate of Origin and may also require the relevant document to be accompanied by a statement from the importer to the effect that the products meet the conditions required for the implementation of the Framework Agreement on Trade Preferential System Among the Member States of the Organisation of the Islamic Cooperation.

Article 22

Discrepancies and Formal Errors

1. The discovery of slight discrepancies between the statements made in the TPS-OIC Certificate of Origin and those made in the documents submitted to the customs office for the purpose of carrying out the formalities for importing the products shall not *ipso facto* render the TPS-OIC Certificate of Origin null and void if it is duly established by the customs authority of the importing country that this document does correspond to the products submitted.
2. Obvious formal errors such as typing errors on a TPS-OIC Certificate of Origin should not cause this document to be rejected if these errors are not such as to create doubts concerning the correctness of the statements made in this document.
3. In case that products, which are not eligible for the preferential regime under the Framework Agreement on Trade Preferential System Among the Member States of the Organisation Islamic Cooperation, are listed in the TPS-OIC Certificate of Origin, it shall not affect or delay the products which fulfil the conditions of this TPS-OIC Rules of Origin for granting preferential treatment and are listed in the same TPS-OIC Certificate of Origin.
