2. For the purposes of implementing the provisions of paragraph 1, the Customs or the competent authorities of the importing country shall return the D-8 Certificate of Origin and the invoice or a copy of these documents, to the Customs or the competent authorities of the exporting country giving, where appropriate, the reasons for the enquiry. Any documents and information obtained suggesting that the information given on the D-8 Certificate of Origin is incorrect shall be forwarded in support of the request for verification.

For this purpose, the Customs or the competent authorities shall have the right to call for any evidence and to carry out any inspection of the exporter's accounts or any other check considered appropriate.
4. If the Customs authorities of the importing country decided to suspend the granting of preferential treatment to the products concerned while awaiting the results of the verification, release of the products shall be offered to the importer subject to any precautionary measures judged necessary.
5. The Customs or the competent authorities requesting the verification shall be informed of the results of this verification as soon as possible. These results must indicate clearly whether the documents are authentic and whether the products concerned can be considered as products originating in one of the Contracting Members' territory and fulfil the other requirements of this Attachment and D-8 Rules of Origin.
