(4) A relevant member may, if he or she desires to pay additional premiums to increase his or her monthly income under the Scheme in accordance with the Central Provident Fund (Lifelong Income Scheme) Regulations 2009, apply to the Board to withdraw the whole or any part of the amount mentioned in section 15(6C)(a) of the Act which is retained in the member's retirement account to pay the additional premiums.

(2) Any payment from the approved annuity is to be determined in accordance with the terms and conditions of the approved annuity.

Payment of premium for annuity plan under Scheme

11A.—(1) Where the Board has permitted a member mentioned in section 27K(5) of the Act to join the Scheme, the Board must, on the application of the member, deduct the premium payable by the member for an annuity plan under the Scheme from —

Payment from amount deposited with approved bank or retained in retirement account, in general

12.—(1) Subject to paragraphs (3), (7) and (9) and regulations 12A, 13, 13C and 13D, a member (not being a relevant member) may be paid a monthly income from the member's balance, starting on or after a date (specified by the Board) that falls in the month in which the member attains 60 years of age.

-
- (2) The amount of the income mentioned in paragraph (1) is —
- (a) where the member's balance is less than the specified amount in regulation 14 — the whole of the member's balance; or
 - (b) in any other case — the specified amount in regulation 14.
- (3) Subject to paragraphs (7) and (9), a member (being a relevant member) may be paid a monthly income from the member's balance, starting in the later of the following months:
- (a) the month in which the member attains 60 years of age;
 - (b) the month after the member becomes a relevant member.
- (4) The amount of the income mentioned in paragraph (3) is an amount computed in accordance with the formula $(A \div N) + D$, where —
- (a) A is the difference between —
 - (i) the member's balance (in dollars) at the first time when an annuity plan is issued to the member; and
 - (ii) the total of the following amounts (in dollars):
 - (A) all payments received by the member under this paragraph before the payment of the amount which is being computed;
 - (B) any other withdrawals or transfers from the member's balance that are made after the annuity plan mentioned in sub-paragraph (i) is issued to the member;
 - (b) N is the larger of 60 or the total number of months in the period —
 - (i) beginning with (and including) either the month in which the member attains 60 years of age or the month after the annuity plan mentioned in sub-paragraph (a)(i) is issued to the member, whichever month is later; and

- (ii) ending with (and including) the month in which the member will attain 90 years of age; and
- (c) D is an additional amount (in dollars) which is payable at the discretion of the Board, taking into account —
 - (i) the member's balance;
 - (ii) any additional amount which may be credited to the member's account with the approved bank or retirement account after the annuity plan mentioned in sub-paragraph (a)(i) is issued to the member; and
 - (iii) any interest which may accrue on the additional amount mentioned in sub-paragraph (ii).

(5) Despite section 2(1A)(b) of the Act, for the purposes of paragraph (4)(b)(ii), the month in which a member who is born on 29 February is deemed to attain 90 years of age is February of the year in which the member attains that age.

(6) Paragraph (7) applies to a member who, before becoming a relevant member, has deposited any amount standing to the member's credit in the member's retirement account with an approved bank under the former section 15(6C)(b) of the Act.

(7) Subject to paragraph (9) and regulation 13D(2), a member mentioned in paragraph (6) may be paid a monthly income from the amount mentioned in paragraph (6) (including any interest accruing on that amount), starting on or after the later of the following dates:

- (a) a date (specified by the Board) that falls in the month in which the member attains 60 years of age;
 - (b) a date (specified by the Board) that falls in the month after the member becomes a relevant member.
- (8) The amount of the monthly income mentioned in paragraph (7) is —
- (a) where the balance of the amount mentioned in paragraph (6) (including any interest accruing on that amount) is less than the amount specified in regulation 14 — the entire balance; or

(b) in any other case — the amount specified in regulation 14.

(9) Subject to regulation 13D, the monthly income that a member may be paid under paragraph (1), (3) or (7) is payable to the member until the member's balance has been exhausted or until the member's death, whichever is the earlier.

(10) Despite paragraph (2), where the amount standing to the member's credit in the member's retirement account is less than \$350 on the date the member may be paid his or her monthly income under paragraph (1) (called in this regulation the relevant date), the Board may defer the payment for —

(a) one year after the last day of the month in which the relevant date falls; or

(b) any shorter period determined by the Board.

Payment from amount retained in retirement account, where 2 members have set aside jointly less than the aggregate of the retirement sums of both members

12A.—(1) This regulation applies where 2 members of the Fund who are parties to a marriage have set aside jointly an amount which is less than the aggregate of the retirement sums of both members in accordance with regulation 4(2), and that amount is retained in their respective retirement accounts under section 15(6C)(a) of the Act.

(2) Subject to paragraph (4) and regulation 13D, where 2 members of the Fund who are parties to a marriage have set aside jointly an amount which is less than the aggregate of the retirement sums of both members in accordance with regulation 4(2), the amount which each member may withdraw monthly from the amount retained in their respective retirement accounts is \$350.

(3) Subject to paragraph (4) and regulation 13D, where 2 members of the Fund who are parties to a marriage have set aside jointly an amount which is less than the aggregate of the retirement sums of both members in accordance with regulation 4(2), and either member dies or the members are divorced, the amount that the surviving or divorced member may withdraw monthly from the amount of his or her retirement sum in the member's retirement account under

section 15(6C)(a) of the Act must not exceed the amount specified in regulation 14, unless approved by the Board in any particular case.

(4) Subject to regulation 13D, the monthly income which a member may withdraw under paragraph (2) or (3) is payable to him or her until the amount retained in the member's retirement account under section 15(6C)(a) of the Act (including any interest accruing on that amount) has been exhausted or until the member's death, whichever is the earlier.

Payment from amount retained in retirement account where there is relevant property charge

12B.—(1) Paragraph (2) applies if, at the time the Board considers a member's application under that paragraph —

- (a) the member has any relevant property charge;
- (b) the total amount secured by the member's relevant property charges is equal to or more than the amount to be withdrawn under the member's application; and
- (c) the member satisfies such terms and conditions as the Board may impose.

(2) The Board may, on the application of a member, allow the member to withdraw the whole or part of the amount retained in the member's retirement account under section 15(6C)(a) of the Act.

(3) The Board may approve an application under paragraph (2) on such terms and conditions as the Board may impose.

Payment from amount deposited with approved bank or retained in retirement account, where member has pension, annuity or other benefit or approved annuity

13.—(1) A member with partial benefits (not being a relevant member) is to be paid a monthly income of \$350 starting in the month in which the member attains 60 years of age, from the amount mentioned in section 15(6C)(a) of the Act standing to the credit of the member (if any) and any interest accruing on that amount.

(2) Where a member (not being a relevant member or a member with partial benefits), at any time after attaining 55 years of age, has

used any amount standing to the member's credit in his or her retirement account to purchase an approved annuity, and has any amount remaining in his or her retirement account under section 15(6C)(a) of the Act, the amount which the member is to be paid each month from the amount remaining in his or her retirement account and any interest accruing on that amount is \$350.

(3) A member with partial benefits may withdraw, in a lump sum, the whole or such part as the Board may determine of any amount standing to the member's credit in the member's retirement account, taking into account the following:

- (a) whether the monthly income from the member's pension, annuity or other benefit approved by the Board is less in value than the payout benchmark applicable to the member;
 - (b) any amount transferred to the member's retirement account under section 18 or 18A of the Act, if any;
 - (c) any cash grant (within the meaning of section 14(5) of the Act) credited into the member's retirement account under section 14(1) of the Act.
- (4) For the purposes of this regulation, the Board —
- (a) is to determine the monthly income provided or to be provided to a member by that member's pension, annuity or other benefit from any information it may have; and
 - (b) may, if it has information of the fixed monthly income provided or to be provided by that member's pension, annuity or other benefit, take that fixed monthly income to be the monthly income provided or to be provided to the member by that pension, annuity or other benefit.

13B.—(1) A member who is entitled to receive payment under regulation 12(1) or (7), 12A or 13 may apply to the Board, in such manner as the Board may require, to be paid an additional amount

monthly from the member's balance, which starts on or after the later of the following dates:

- (a) a date (specified by the Board) that falls in the month in which the member attains 60 years of age;
 - (b) the date on which the Board approves the application.
- (2) If the Board approves a member's application under paragraph (1), the Board may —

(2) The Board may approve an application made under paragraph (1) on such terms and conditions as the Board may impose.

(3) Subject to paragraph (4), where —

- (b) the amount standing to the credit of the member in the member's retirement account is subsequently reduced, on or after 1 January 2020, by any factor that was not taken into account in that computation,

the Board may on or after 1 April 2020 (without any application by the member) reduce the amount of the monthly income to be paid in the proportion by which the amount mentioned in sub-paragraph (b) is reduced.

(4) The reduced amount of the monthly income under paragraph (3) must not be less than \$350 or the amount standing to the credit of the member in the member's retirement account at the time the monthly income is paid, whichever is lower.

Payment of monthly income where balance in retirement account is low

- (a) if the member has applied for the monthly income which the member may be paid under regulation 12(1), 12A, 13, 13B or 13C to be paid into the member's account with a bank by inter-bank GIRO, pay the member the entire balance in that manner; or

(2) Where any payment of the monthly income which a member may be paid under regulation 12(1) or (7), 12A, 13, 13B or 13C results in a balance of \$350 or less in the amount retained in the member's retirement account under section 15(6C)(a) of the Act (including any interest accruing on that amount), the Board may permit the entire balance to be paid together with the monthly income.

Manner of payment from amount retained in retirement account

- (a) if the bank account is closed, the approved bank must pay all moneys in the bank account to the member's retirement account on such closure; or
- (b) if the Board (being satisfied that the member satisfies the requirements of section 15AA(2) or (7) of the Act or a former provision) approves the member's request to withdraw the amount from the bank account, the member may withdraw that amount, or such part of that amount, as the Board may determine.

(2) Where an amount standing to the credit of a member in the member's retirement account has been used to purchase an approved annuity from an insurer and the approved annuity is surrendered or terminated —

- (a) subject to sub-paragraph (b), the insurer must pay the surrender value of the approved annuity to the member's retirement account on such surrender or termination; or
- (b) if the Board (being satisfied that the member satisfies the requirements of section 15AA(2) or (7) of the Act or a former provision) approves the member's request to withdraw the whole or part of the surrender value of the approved annuity (called in this regulation the approved withdrawal), the approved insurer may pay the amount of the approved withdrawal to the member directly, instead of to the member's retirement account.

(3) The following persons must set aside or top-up (as the case may be) in the member's retirement account an amount (if any) determined by the Board if the member's pension, annuity or other benefit mentioned in sub-paragraph (a), (b) or (c) (as the case may be) is surrendered or terminated after the member attains 55 years of age:

(3) Paragraphs (1) and (2) do not apply if, before the Board is notified of the member's death, the Board (being satisfied that the member satisfies the requirements of section 15(7) or 15AA(7) of the Act or a former provision) approved the member's request to withdraw the amount mentioned in paragraph (1) or (2), as the case may be.

Notional date of birth
