- (c) in any other case, is the number of consecutive calendar years immediately before the current penalty year in which the Board did take action against the approved provider for any similar contravention to the relevant contravention.

(3) For the purposes of paragraph (2), the Board is treated as taking action against an approved provider in a calendar year for a contravention if the Board issues a warning to, or imposes a financial penalty under section 67C of the Act on, the approved provider for a contravention (excluding any action that has been withdrawn by the Board, reversed under regulation 11(5)(a) or invalidated under the law).

(4) Where the payment of a financial penalty is waived under regulation 11(5)(d) —

- (a) the financial penalty is not invalidated under the law; but
- (b) the amount waived must be disregarded in computing the total amount of financial penalties for the purposes of regulation 4(2), 5(3), 6(3), 7(4) or 8(3).

(5) In these Regulations, “similar contravention” —

- (i) the member; or
- (ii) if the member is unconscious or otherwise mentally incapacitated and unable to authorise the access personally, a prescribed person in relation to the member;
- (b) must take reasonable care to ensure that all information provided to the Board in relation to a withdrawal application submitted by the approved provider is accurate;

- (e) where the Board orders an audit of the approved provider under section 67B(3) of the Act and directs the approved provider to submit to the Board any report relating to the audit (which may include any report on follow-up action taken or to be taken after the audit), must submit the report within the time specified by the Board.

Financial penalty for contravening regulation 3(2)(a)

4.—(1) Subject to paragraph (2), the financial penalty that may be imposed on an approved provider who contravenes regulation 3(2)(a) is \$100 for each contravention, where the number of previous penalty years for that contravention is 2 or more.

(2) The total amount of financial penalties that may be imposed on an approved provider for all contraventions of regulation 3(2)(a) assigned with the same current penalty year must not exceed \$5,000.

Financial penalty for contravening regulation 3(2)(b) if it results in amount withdrawn exceeding specified amount

5.—(1) This regulation applies to the contravention of regulation 3(2)(b) in relation to a withdrawal application submitted by an approved provider which results in an amount, exceeding the specified amount, being withdrawn from the member’s medisave account.

(2) Subject to paragraph (3), the financial penalty that may be imposed on an approved provider for each contravention mentioned in paragraph (1) is the amount specified in the second column of the First Schedule, corresponding to the number of previous penalty years specified in the first column of that Schedule.

(3) The total amount of financial penalties that may be imposed on an approved provider for all contraventions mentioned in paragraph (1) assigned with the same current penalty year must not exceed the amount specified in the third column of the First Schedule, corresponding to the number of previous penalty years specified in the first column of that Schedule.

(4) In paragraph (1) and regulation 6(1)(a), “specified amount” means the amount permitted to be withdrawn under the MAW Regulations for the medical, psychiatric or other treatment or service received, or to be received as part of an approved treatment package, by the member or member’s dependant (as the case may be) to which the withdrawal application mentioned in paragraph (1) or regulation 6(1)(a) (as the case may be) relates.

Financial penalty for contravening regulation 3(2)(c) or modified regulation 3(2)(b) or (d)

6.—(1) This regulation applies to the contravention of the following regulations by an approved provider:

- (a) regulation 3(2)(b), in relation to a withdrawal application submitted by the approved provider that does not result in

an amount exceeding the specified amount being withdrawn from the member's medisave account (called the modified regulation 3(2)(b));

(b) regulation 3(2)(c);

(c) regulation 3(2)(d), if each written authorisation and written confirmation required under regulation 3(2)(d) in relation to a withdrawal application submitted by the approved provider is submitted to the Board before the Board gives notice to the approved provider, in accordance with regulation 9(3), of the decision to impose a financial penalty for the contravention (called the modified regulation 3(2)(d)).

(2) Subject to paragraph (3), the financial penalty that may be imposed on an approved provider for each contravention mentioned in paragraph (1) is \$100, where the number of previous penalty years in relation to that contravention is 2 or more.

(3) The total amount of financial penalties that may be imposed on an approved provider under this regulation for all similar contraventions mentioned in regulation 2(5)(b), assigned with the same current penalty year, must not exceed \$5,000.

Financial penalty for contravening regulation 3(2)(d) if notice of imposition of financial penalty given before written authorisation, etc., submitted

7.—(1) This regulation applies where —

(a) an approved provider contravenes regulation 3(2)(d) (called in this regulation the current contravention);

(b) written authorisation or written confirmation is required under regulation 3(2)(d) in relation to a withdrawal application submitted by the approved provider; and

(c) the Board gives notice to the approved provider in accordance with regulation 9(3) of the decision to impose a financial penalty for the contravention, before such authorisation or confirmation is given to the Board.

(2) Subject to paragraph (4), the financial penalty that may be imposed on an approved provider for the current contravention is the amount specified in the second column of the Second Schedule, corresponding to the number of times (specified in the first column of that Schedule) that a financial penalty under this regulation has been imposed on the approved provider in the relevant period of the current contravention (except any financial penalty that has been withdrawn by the Board, reversed under regulation 11(5)(a) or invalidated under the law).

(3) In paragraph (2) and the Second Schedule, “relevant period” means, where the Board has given notice to the approved provider in accordance with regulation 9(3) of the Board’s decision to impose a financial penalty for the current contravention in a calendar year —

- (a) the period in that calendar year, immediately before the Board gives the notice; and
- (b) the 2 calendar years immediately before the calendar year mentioned in sub-paragraph (a).

(2) Instead of imposing the financial penalty of the amount prescribed in paragraph (1), the Board may impose a financial penalty of a lower amount based on the promptness with which the approved provider submits the report mentioned in regulation 3(2)(e), if —

- (a) the Board has not already given notice to the approved provider in accordance with regulation 9(3) of the Board's decision to impose a financial penalty for the contravention; and
 - (b) the approved provider submits the report to the Board, but only after the time specified by the Board mentioned in regulation 3(2)(e).

 - (b) specifying the period within which written representations (if any) may be made to the Board concerning the alleged contravention.
- (2) The Board may extend the period mentioned in paragraph (1)(b) by written notice.
- (3) After the period for making written representations has expired and the Board has given due consideration to any written representations given within that period, the Board may, if satisfied that the approved provider has committed the alleged contravention, impose a financial penalty under these Regulations on the approved provider by giving the approved provider written notice of the Board's decision to impose the financial penalty.
- (4) The notice of the Board's decision to impose a financial penalty mentioned in paragraph (3) must specify a period (not less than

- (b) if the Board intends to impose a financial penalty for a different alleged contravention, issue a new written notice mentioned in paragraph (1); and
- (c) if the Board decides to impose a financial penalty for the same alleged contravention or a different alleged contravention, issue a further written notice mentioned in paragraph (3).

Interest for late payment of financial penalty

10.—(1) An approved provider is liable to pay interest on the amount of the financial penalty remaining unpaid after the expiry of the payment period for the financial penalty, at the rate of 4.5% points above the 3-month compounded SORA for the period during which the financial penalty remains unpaid after the expiry of the payment period for the financial penalty.

(2) The Board may, at any time before an appeal is lodged under regulation 11(1) against the imposition of the interest, waive (in whole or part) the payment of the interest.

Appeal to Appeal Panel

11.—(1) An approved provider that is aggrieved by the Board's decision to impose a financial penalty, or by interest imposed under regulation 10, may lodge an appeal to the Appeal Panel —

(6) The Appeal Panel must notify the approved provider of its decision in respect of the appeal and the reasons for its decision as soon as practicable after determining the appeal.

(7) If the Appeal Panel confirms a decision appealed against under paragraph (5)(a), makes a substitution of a financial penalty under paragraph (5)(c), or waives the payment of part of the financial penalty or interest under paragraph (5)(d), the Board may specify or extend the time for the payment of the financial penalty or interest, as the case may be.
