No. S 529

PARKING PLACES ACT 1974

**PARKING PLACES
(DIGITAL PAYMENT — PARKING CHARGES)
(AMENDMENT) RULES 2026**

In exercise of the powers conferred by section 22(1) of the Parking Places Act 1974, the Land Transport Authority of Singapore, with the approval of the Acting Minister for Transport, makes the following Rules:

Citation and commencement

1. These Rules are the Parking Places (Digital Payment — Parking Charges) (Amendment) Rules 2026 and come into operation on 3 August 2026.

New Part 1 heading

2. In the Parking Places (Digital Payment — Parking Charges) Rules 2022 (G.N. No. S 76/2022) (called in these Rules the principal Rules), before rule 1, insert —

“PART 1
PRELIMINARY”.

Amendment of rule 2

3. In the principal Rules, in rule 2(1) —

(a) delete the definition of “digital parking system application” or “DP app”;

(b) after the definition of “parking session”, insert —

““Parking.sg app” means a digital payment software application that —

(a) operates on mobile devices (such as smartphones and tablet computers); and

(b) is approved by the Superintendent for use to make digital payment of the parking charges for any parking session within a coupon parking place in accordance with rule 4;

“Parking@HDB app” means a digital payment software application that —

(a) operates on mobile devices (such as smartphones and tablet computers); and

(b) is approved by the Superintendent for use to make digital payment of the parking charges for any parking session within a Parking@HDB parking place in accordance with rule 5;” and

(c) after the definition of “Parking@HDB parking place”, insert —

““roadside electronic parking application” or “REP app” means a digital payment software application that —

(a) operates on the in-vehicle unit of a vehicle; and

(b) is approved by the Superintendent for use to make digital payment of the parking charges for any parking session within a coupon parking place in accordance with rule 4A;”.

FOR COUPON PARKING PLACES

Methods of digital payment of parking charges for coupon parking places

3. Without limiting rule 7(1)(a) of the Parking Places Rules (R 2), a person who parks a vehicle for a parking session within a coupon parking place during any period during which parking charges are payable may pay the parking charges for the parking session by the method specified in rule 4 or 4A.”.

Amendment of rule 4

5. In the principal Rules, in rule 4 —

- (a) in the rule heading, after “**coupon parking places**”, insert “**using Parking.sg app**”;
- (b) in paragraph (1), replace “who intends to pay parking charges for a parking session from parking a vehicle in a coupon parking place may, in lieu of the method described in the Parking Places (Coupon Parking) Rules, pay those parking charges” with “mentioned in rule 3 may pay the parking charges mentioned in that rule”; and
- (c) in paragraphs (1)(a) and (b), (2) and (3), replace “DP app” with “Parking.sg app”.

New rule 4A and Part 3 heading

6. In the principal Rules, after rule 4, insert —

“Paying parking charges for coupon parking places using REP app

4A.—(1) A person mentioned in rule 3 may pay the parking charges mentioned in that rule using the REP app by the method described in paragraph (2) or (3).

(2) Where the person has authorised the parking charges to be paid in whole by electronic funds transfer using the person’s credit card or debit card or any other payment facility available

for use on the backend payment service account that is registered to the in-vehicle unit of the vehicle, the person may pay the parking charges —

(a) first, by —

(i) triggering a parking prompt at the start of the parking session by —

(A) staying within the coupon parking place for a reasonable period of time; or

(B) tapping on a P icon that is digitally displayed on the in-vehicle unit of the vehicle;

(ii) confirming that the parking prompt correctly displays the coupon parking place within which the vehicle is parked; and

(iii) confirming that the parking session has begun; and

(b) then, by ending the parking session within the coupon parking place.

(3) Where the person has not authorised the parking charges to be paid in whole by electronic funds transfer using the person's credit card or debit card or any other payment facility available for use on the backend payment service account that is registered to the in-vehicle unit of the vehicle, the person may pay the parking charges —

(a) first, by using the REP app in the manner described in paragraph (2)(a);

(b) then, by inserting a compatible stored-value card into the in-vehicle unit before the vehicle leaves the coupon parking place; and

(c) then, by allowing the parking charges to be paid in whole by electronic funds transfer deducted from the compatible stored-value card when the vehicle leaves the coupon parking place.

PART 3
